## Certificate of Contribution

To Whom It May Concern,

This is to certify that **Mr. Parijat Mitra** has worked as intern with AgVerse Technologies Pvt. Ltd. and contributed to the bring-up of server support to pull telemetry data and perform Baum-Welch algorithm-based parameter and state estimation. He also helped in creating a pipeline mechanism where other data processing modules can be integrated on demand. His involvement with the said activity spanned from February 2020 till June 2020.

**Agverse Technologies Private Limited**
